FROM OUR PASTOR

Dear Parishioners,

As the winter months progress, I remind everyone to be careful as they walk on our parish grounds. Many times there are patches of black ice that you cannot see and then you may unfortunately fall. We, at St. Alexander, try to do our best to remove snow and ice from our sidewalks and parking lots but sometimes it is difficult due to weather conditions. Once again, take caution and walk slowly in icy weather.

This month marks the 46th anniversary of Roe v. Wade, which was the shameful decision of our government allowing women to abort the lives of their unborn babies. Many mothers have lost their lives during abortions and many others continue to suffer emotional and physical scars.

Project Rachel reaches out to those mothers who have suffered so much. Project Rachel is a sensitive, private, free and confidential post-abortion reconciliation program sponsored by the Respect Life Office of the Archdiocese of Chicago. When a person has been involved in an abortion which calls for healing, they are referred for counseling to one of the seventy-five specially trained priests or counselors in the Chicago Archdiocese. The meeting with the priest or counselor will generally include counseling, prayer, and scripture. Project Rachel provides post-abortion healing for mothers, fathers, grandparents and siblings of aborted children, as well as abortion providers and those in the abortion industry.

Through this program the Catholic Church reaches out to those broken by the sin of abortion with the power of Jesus' death and resurrection. It is Jesus who heals and forgives through the sacraments, especially the Sacrament of Reconciliation. If you, a family member, or friend needs assistance or would like more information about Project Rachel, please call 312-337-1962. In the meantime, let us all say a prayer for an end to all abortions and a prayer for all who have either died or been hurt through this process.

Remember that Tuesday, January 22nd is the Day of Prayer for the Legal Protection of Unborn Children. Please take time this day to say a prayer that some day abortion will not only be illegal in our country but throughout the world.

God Bless,
Father Marty

WORD OF LIFE

"When we encounter Christ, experience his love, and deepen our relationship with him, we become more aware of our own worth and that of others. His love for each person is cause for great joy, and growing understanding of this priceless treasure motivates us to share his love with others."

SCRIPTURE REFLECTION

For many weeks now, we have been celebrating the appearance of the divine presence in human form. As a child, he came to Mary and Joseph, was seen by the shepherds, and then by some wandering magi from the East. Today we celebrate another showing, later in time, to a group gathered at the Jordan River.

John hesitated to baptize Jesus, whom he recognized as one mightier than I. But he did as Jesus asked, and the Holy Spirit descended and heaven's voice spoke to Jesus, You are my beloved Son. Jesus was beginning his public life of teaching and service. Soon he would start calling others to join him.

Peter was one of the first to be called by Jesus. In today's second reading, he announces the heart of the message, peace through Jesus Christ, who is Lord of all. Peter was called, and you and I are called to spread that message and to serve God's word.
