FROM OUR PASTOR

Dear Parishioners,

Today, we as a Church around the world celebrate the Feast of Christ the King. The three readings present Christ to us as a Universal King. In the first reading from the book of Daniel, we are enlightened on the title of Christ, the "Good Shepherd." In the Book of Revelation, Jesus is presented as the "Alpha and the Omega, the one who is and who was and who is to come, the almighty." It is very important that the idea of Christ the King is understood according to these rich concepts, and not according to our own interpretation of kings in history or present-day royalty. Jesus is the King of today's world. He is present in the world, and is active in it. Our Lord has an influence on all men and women and can change them. Jesus' rule is an activity that transforms the world bringing about a change in us, His People. With Christ the King, we are freed from sinfulness, given a new life, and a share in His own glorified, resurrected life. Thus, Jesus' kingship gives all Christians both the responsibility to allow Christ to work through us and the assurance that it will achieve success.

Our Advent Communal Penance service will he held on Tuesday, December 11th at 7:00PM. Please consider attending this special service to reconcile your relationship with God and one another as we prepare ourselves for the anniversary of our Lord's birth on Christmas Day. If you would like to go to confession and cannot make our service or the regularly scheduled times hopefully we will soon have a list of Advent Penance Services that are being celebrated at neighboring parishes.

Before you know it folks, it will be Christmas which is a time of giving and sharing the gifts we have with family, friends, and those who are in need. Please turn to page eleven of our bulletin for information on this year's Sharing Tree.

God Bless,
Father Marty

SCRIPTURE REFLECTION

On the final Sunday of the liturgical year we celebrate the feast of Christ the King. It's easy to understand today's scriptures as events that happened long ago and far away, or predictions that will come true somewhere, some day. But they invite us to claim Christ as our King here and now. Jesus' words to Pilate in the Gospel remind us that his kingdom transcends time and place. And the prophecies from Daniel and Revelation give us reason to be faithful to Christ our King right here and right now.

By concluding the year with this feast we are proclaiming our faith that Jesus Christ is the one and only King over all seasons, all peoples, and all of creation. No matter what nation we belong to or what language we speak, he "has made us into a kingdom" (Revelation 1:6)--one people united in love and peace for all eternity.
