## FROM OUR PASTOR

Dear Parishioners,

During the season of Lent we are challenged to open our hearts to the call of Christ. The events of Holy Week and Easter remind us that the victory of Jesus can be ours if our lives find their model in Him. We must always remember that the great Easter truth is not that we are to live newly after death, but that we are to live nobly and spiritually now because we are to live forever. Therefore, every liturgy is a celebration of our Lord's Resurrection and we should challenge ourselves each and every day to live lives of love, peace and forgiveness. The love of Jesus and His Resurrection are a way of life.

One can only imagine the intense feelings of joy and relief Mary Magdalene, Simon Peter, and the other apostles experienced when they realized their Jesus had Risen from the Dead. With their experiences of the Resurrection, they realized that the darkness of Jesus' death had turned into the light of everlasting life. Sin and death had been conquered, and peace and love would now reign supreme.

As we celebrate Easter today, I pray that we all have the same love each and everyday as a people of the Resurrection. Let us all share Jesus' Gospel of love, peace and charity by forgiving our brothers and sisters.

Deepest thanks to you for your kindness and generosity at this time. On behalf of Fr. Mitchell, our supply priests, deacons, the staff of St. Alexander Parish, and myself, I pray that the Risen Christ and His loving Mother bless you with joy and much spirituality. May you have an Easter that is filled with God's gift of our Lord Jesus Christ.

Please remember next Sunday is Divine Mercy Sunday which will be led by Deacon Mike with the assistance of the Blue Army of our Lady of Fatima and the Knights of Columbus. The Holy Hour will begin at 2:45PM. Turn to page six for more information.

God Bless,  
Father Marty

**SCRIPTURE REFLECTION**

Outside Chicago, there is a small cemetery in the woods behind Mundelein Seminary, where I was a student. One night I was exploring it. I looked up and was shocked to see an imposing seventeen-foot angel towering over me and preparing to blow a trumpet. Adrenaline rushed through me. I gasped and uttered, "Oh my God!" Quickly I realized it was in fact a massive bronze statue. I tried to calm myself down. But it still freaked me out.

As we begin to celebrate Easter today, this image might seem a bit unnerving. But please recall that for the first disciples on the morning of the resurrection, it was precisely that. It wasn't joyful at first, it was terrifying. It wasn't peaceful, it was unsettling. In that Jerusalem cemetery, something otherworldly had happened. Angels announced that he was no longer dead, but alive. They had blown their trumpets, so to speak, and Jesus had risen. Soon the disciples' shock in that dark cemetery would turn into joy.

We all have our own places of the dead, too, don't we? Deceased loved ones. Our tired patterns of blame. Relationships stuck in resentment. Indifference to the poor. Lost dreams. Despair about our future. Fear of sickness and death. These are our "cemeteries" where we don't expect much to happen. Today we enter — if we dare — those places with the disciples. See the mighty angel standing there, trumpet ready to blare!

— Father John Muir

Easter 2024

Dear Sisters and Brothers in Christ,

The resurrection of Jesus stands at the center of our faith. We believe, as Saint Paul says, that Jesus “died for our sins and rose for our justification.” He entered the very darkest corners of human existence, took our pain, suffering, and death upon himself, and then drew us into the fullness of risen life.

As we celebrate the Lord’s resurrection this Easter 2024, we are clearly aware of those dark corners of human existence that Jesus took upon himself. With troubled hearts, we watch war and violence unfold in the Holy Land, in Ukraine, in parts of Africa, and in our own city of Chicago. We know the crippling effects of climate change and the natural disasters that have affected so many people throughout the world. We struggle with the social and political polarization that threatens our life together.

We step back from all of this, and we can surely affirm that we need the transforming and life-giving power of the Resurrection. We also stand together as a church, a synodal church, that journeys together and reclaim our faith and trust in the power of the Risen Lord who makes all things work for the good for those who love him. We stand together in our often broken and wounded world to witness hope to all humanity, to proclaim that God’s life and not death will have the last word.

May this feast of Easter be a graced moment to rediscover and reclaim our great faith and hope in Jesus Christ, risen from the dead, who goes before us and leads us home.

Sincerely yours in Christ,

A handwritten signature in black ink, appearing to read "Blase Cardinal Cupic".

### WORD OF LIFE

“With great openness and courage, we need to question how widespread is the culture of life today among individual Christians, families, groups and communities in our Dioceses. With equal clarity and determination we must identify the steps we are called to take in order to serve life in all its truth” (The Gospel of Life 95).

—USCCB Secretariat of Pro-Life Activities

Easter Sunday is the greatest of all Sundays, and Easter Time is the most important of all liturgical times.

Easter is the celebration of the Lord's resurrection from the dead, culminating in his Ascension to the Father and sending of the Holy Spirit upon the Church. There are 50 days of Easter from the first Sunday to Pentecost. It is characterized, above all, by the joy of glorified life and the victory over death, expressed most fully in the great resounding cry of the Christian: *Alleluia!* All faith flows from faith in the resurrection: "If Christ has not been raised, then empty is our preaching; empty, too, is your faith."

(1 Cor 15:14)

## Assisted Listening Systems for Church Sound

Our church is equipped with a hearing “loop” system which will allow those with a tele-coil (T-coil) in their hearing aid to hear more clearly. Some hearing aids will automatically switch to our “loop” system. Other hearing aids must be *manually* switched to the T-coil mode.

If you do not think your hearing aid is functioning properly with our “loop” system it may be because: A) Your hearing aid does not have a built-in T-coil OR B) You have to *manually* switch your hearing aid to the T-coil mode.

**T-Coil Switches:** If your hearing aid has a switch labeled **M-T-O** the switch should be set to the **T** position. If your hearing aid has switch labeled **M-MT** the switch should be set to the **MT** position.

Please consult your Audiologist with any questions, and to be sure that your hearing aid is equipped with a T-coil and is working properly.

If you do not have a hearing aid with tele-coil (T-coil), we have purchased four individual hearing devices, specifically programmed for our system, that can be used during our liturgies on Sunday. They will be placed in a box on the bench outside the school office. We do ask that you please clean the hearing device after Mass, with the alcohol wipes that are on the bench, before returning them to the box. Thank you and we hope this will help to enhance your liturgical experience.

to hand on your gifts to future generations*

*May we remain in the holy company of the Blessed Virgin Mary, the apostles, and all the saints.  
May their example and presence inspire us with patient confidence in the work of your grace.*

*We ask this of you who live and reign with the Father in the unity of the Holy Spirit, one God, forever and ever. Amen*
